

STOMP

Parent, Professional Teams Workshop

PPTW

STOMP—A Project of PAVE

“It is very gratifying to have this project take off like this and to realize that a need so great is finally being addressed. The STOMP workshop was certainly the spark we needed to make it all happen!”

“Not having an EFM myself I now recognize more what these families are dealing

“The sharing and brainstorming methods have picked the brains of all which in turn makes resources available to all of us.”

Workshop Costs:

There is a registration fee of \$200.00 per PPTW team member. The registration fee covers the cost of the workshop materials.

STOMP utilizes an application process for this workshop.

STOMP funds travel and lodging for all participants.

Please contact STOMP for an application packet.

Deadlines, Dates and Location

STOMP is proud to present the annual Parent Professional Teams Workshop. This extensive 4.5 day workshop is held every summer in beautiful Western Washington

We invite applications from teams of three, consisting of a military parent, military-related professional and a staff member from the state Parent Training and Information Center. All applicants should be able to demonstrate previous experience and ability to work and plan effectively together as a team.

Participants will gain:

- ◆ information on the EFM Programs for each branch of the service,
- ◆ advanced level training on Federal and Military laws and regulations,
- ◆ skills to develop and maintain effective parent resource groups on local installations,
- ◆ skills in team dynamics,
- ◆ ability to access TRICARE and TRICARE & ECHO services,
- ◆ skills in negotiation and mediation skills,
- ◆ information on networking with resources within the civilian and military community to assist families including accessing decision makers at the installation and federal level.

The project provides ongoing support and in-service that will increase the efficacy of these teams.

WORKING TOGETHER FOR MILITARY FAMILIES!
